Hi John,

I copying of all the files on the disk. The files are still being copied now, and I need to leave early today, but I can mail it out on Monday morning. Or if the new rail line stops near your office, I can hand deliver it on Monday.

Thanks,

Gail

Hi John,

I have the disk and have started copying the files. Do you want me to copy all 3 years or just 2006?

Thanks,

Gail

Hi John.

I have a disk with the MT CALMET files for all three years. Each year is about 160 GB. It's probably best if you send a disk, and I'll make a copy. Or if you want to come over to our office it should not take long to copy the data.

Thanks,

Gail
